Tina Falk

*Speaker, BFA-Visual Communications,
Certified Feng Shui Practitioner*

Tina Falk, founder of VIA Feng Shui and TinaFalk.com, teaches from the heart in a way that is authentic, practical and inspiring.

Layering ancient feng shui philosophies, learned from Buddhist and Western Masters, with modern methodologies and concepts, she uses Chinese Astrology (the 4 Pillars of Destiny) as the foundation to create unique and personal feng shui experiences.

With training in Landform, Classical, Flying Star, and BTB School Feng Shui, she guides clients and audiences to create spaces that support their well-being and balance energy in their homes, businesses and families. Incorporating additional modalities of numerology, chakras, and L.I.F.E. meditation, she comprehensively addresses the connections between mind, body, soul, spirit, and environment. Through speaking, she teaches how to walk and talk your own light so you can bring it to others.

"I had a much narrower view of feng shui before I met Tina. She has the ability to teach and enlighten because she knows the discipline so well."

- Kathy D., Physician

"I have gained a better understanding of myself and all that is around me and that I can change energy by doing some simple things."

- Edette C., Classical Guitar Teacher

"Tina is an amazing teacher. She is kind, patient and encouraging. She is tapped into this ancient wisdom in ways that cannot be taught in a textbook and she shares it as relevant to the student(s), the time and the experience. I've learned things and grown in ways I never even dreamed of..."
